Flood Re - What you need to know

Flood Re has seen a surge in UK Household insurers signing up to the scheme since its launch three months ago, which is good news for home owners eligible for the scheme.

Not only will they find it easier to source an insurer willing to insure their property, but will also enjoy more competitive premiums for this element of cover as a result.

Many home owners and managing agents may not be aware of the scheme and how it can benefit them. We've put together a list of what you need to on the scheme.

Centor Team Night at Bounce Ping Pong

The gloves were off and the bats were out the night of Wednesday 22nd June! The Centor team had a session booked at Bounce, where we received some tips from our ping pong 'games master' and fought it out amongst ourselves! A great night was had by all.

Employee Benefits - Why you should have them

Having a good employee benefits package in place may not seem as important compared to the other types of insurance your company has in place but they can be of huge benefit in the long term.

We can arrange everything from group life and income protection policies, as well as group private medical insurance and business protection. Click [here](#) to find out how a good employee benefits package can benefit a business.

Insurance Act 2015 - Update

It's less than a month until the Insurance Act 2015 comes into force, bringing about the biggest change to English insurance law in over a century. The Act will be implemented from 12th August 2016, and its intention is to ensure better exchange of information between insurer and the insured, reduce the number of disputes and reduce the number of claims reject.

We're working closely with our clients to ensure the changes are communicated and the Act adhered to. Click [here](#) for more information.
