

Centor's Corporate Social Responsibility

Centor is passionate about running a profitable business but we are just as passionate about our mission to be socially responsible. We have longstanding links with charities large and small and we have an ongoing commitment to support them however and whenever we can. We care deeply about all our stakeholders – our clients, our staff, suppliers, the communities we work in and the environment. We hope this report demonstrates this.

CEO

Highlights

- Centor Charity Ball 2016
- £40,000 raised
- Weekly volunteering at the Salvation Army
- BBC Children in Need Day 2017
- £13,000 raised
- £10,000 donation to Royal British Legion Industries

Centor Charity Ball 2016

Held in September at the Gibson Hall, our first ever charity ball was attended by Centor staff, clients and insurers, as well as the three recipient charities, the Alzheimer's Research UK, Cystic Fibrosis Trust and Great Ormond Street Hospital Charity. We held a raffle and a live auction, in which people bid for items such as Olympic cycling with a gold medallist and the ultimate Las Vegas experience. We surpassed our fundraising target, reaching nearly £40,000, which was split equally between the three charities.

"We're so grateful to Centor for supporting Alzheimer's Research UK. Fantastic fundraising efforts like this will help us defeat dementia sooner."

- Jessica Sayer, Alzheimer's Research UK

BBC Children in Need Day 2017

We more than doubled our fundraising goal of £3,000, reaching an impressive £6,890. Centor then topped this up, bringing the total raised to £13,000. We also had a bake sale, a Guess the Body Parts competition, a raffle and an auction, with prizes donated by clients and key contacts.

We'd like to say a huge thank you to everyone who donated money or an auction or raffle prize. We're so grateful for all your support."

Neil Walton, Centor CEO

Weekly volunteering at the Salvation Army

For more than six years, Centor staff have volunteered at the Oxford St drop-in centre of the Salvation Army. Most recently, this has involved two staff visiting the centre every Monday afternoon to assist with the running of their film club. This frees up the Salvation Army staff to assist those in need with financial advice, providing clothes, and other vital assistance.

Wearing Yellow for Cystic Fibrosis

Centor staff wore yellow on 23rd June 2017 to fundraise for Cystic Fibrosis Trust. We raised £160, which the company matched, bringing the total to £320.

This is just a selection of our CSR activities over the past two years. We've also become carbon neutral, sponsored local sports teams, and ensured all our suppliers are fair trade.
